Thus, Hotel Experimenta connects the familiar with the unfamiliar, strengthening social and economic structures in the neighbourhood. Hotel Experimenta is a new public space.

Hotel Experimenta is a small, freestanding building with one room only, situated at Tolhuistuin along the northern bank of the IJ river. The room comes with a double bed and a view. Anybody who will book a night at Hotel Experimenta will sleep there, yet is invited to explore the riverbank, since all the hotel's other facilities and services are to be found in the vicinity. For eating breakfast, visiting the gym, going to the sauna, having dinner or pursuing any other activity, guests will have to get out and start exploring.
