## **PETER ZUMTHOR LECTURE SOLD OUT**

Experimenta informs that, 10 days ahead of the event, Peter Zumthor's lecture in Aula Magna Auditorium is sold out, with a total of 1,237 tickets purchased.

Experimenta is extremely pleased with the level of interest Peter Zumthor's event has generated, which will bring to Lisbon a diversified audience from all over Portugal and abroad. Sharing, live and first-hand, the creative thinking and experience of Zumthor's work and likewise uncover the depth of his documentation archive will no doubt be meaningful occasions for both the attending audience and the pursuit of Experimenta's mission.

Peter Zumthor will be in Lisbon on September 6 to deliver a lecture and or the opening of the leading exhibition Peter Zumthor: Buildings and Projects 1986-2007 at LXFactory. Constituting the Official Launch of ExperimentDesign Lisboa 2009, these events will be attended by the Portuguese Minister of Economy and Innovation, the Portuguese Minister of Culture and the Mayor of Lisbon, as well as several guests and members of the Portuguese and foreign press.
